

Olde Norwood News

Olde Norwood Neighborhood Association

Neighborhood Funfest August 4

All are welcome to join our neighbors at Marquette Park 11 am to 4 pm on Sunday, August 4th for live music from the Good Times Specials. There will also be games for the kids and food available for purchase.

Weekly walks are Thursdays at 6:00 pm

All are invited to join members of the association board on weekly walks through different areas of the neighborhood. When available, our Community Service Interns from the Green Bay Police Department will join us to learn about any concerns you have in the neighborhood.

With the exception of July 4th, walks be held every Thursday beginning at 6:00 pm. Meet in the parking lot outside the St. Joseph Parish office at the corner of 9th Street and 12th Avenue. Walks will continue through the end of September, weather permitting. Friendly dogs are welcome too!

Neighborhood Sale August 2-3 See page 3 for sign-up sheet

New recycling rules take effect in Green Bay starting July 1, 2013

If you haven't already purchased a recycling cart please see page 4 for frequently asked questions about this new requirement.

You can help prevent pet overpopulation

As much as everyone loves kittens and puppies, there are never enough homes for all the unwanted litters that appear every spring. Local shelters and rescues are overwhelmed, so Olde Norwood Neighborhood Association is partnering with Green Bay Animal Rescue to offer a low-cost spay/neuter clinic in early fall for residents with demonstrated financial hardship. Please see page 5 for more information on how to apply for this program.

This is just one of the stray cats recently trapped in our area and taken to Green Bay Animal Rescue, where she and her kittens are now available for adoption.

Southwest Branch Library

974 Ninth Street, Green Bay
(920) 492-4910

Eat indoors if weather is bad.

Adult lunches available for \$2.00.

All information subject to change.

Neighborhood Rummage Sale August 2-3

The Olde Norwood Neighborhood Association is organizing a neighborhood-wide sale again this year in early August. There is no charge to take part in this event and all proceeds from the sale are yours. ONNA will cover the cost of the ad and will provide signage on all major streets that make up the association boundaries.

The sale will be advertised in the Press-Gazette for Friday and Saturday from 8 am to 4 pm, but you are not obligated to participate both days and you may set different hours if you wish. You can specify days and hours on the sign-up sheet below.

This is a great opportunity to clear out your closets, garages and basements and make a little extra money too! If you decide to participate, please return the sign-up sheet to the event coordinator by July 28th or call and provide your information over the phone.

A flyer listing participating addresses along with a short description of items for sale will be available on our Facebook page, on Craigslist and at Mason Brothers Red Owl. Your name, phone number and email address will be kept confidential and used only by the coordinator for communicating information about the sale.

To sign up or for more information please contact:

Jim Haskins, Event Coordinator
1432 S. Oakland Avenue, #3
Green Bay, WI 54304
217-5619

or call Jim at 217-5619 no later than July 28, 2013.**

New Recycling Rules Take Effect July 1, 2013

The following information is taken from the City of Green Bay Department of Public Works website:

Q: When are recycling carts being mandated?

A: As of July 1, 2013, all recycling must be placed in a City issued cart. Recycling bins (18-gallon) will not be collected anymore.

Q: How much does a recycling cart cost?

A: Two (2) sizes are available:

- 1) 64-gallon cart: Cost is \$41.00
- 2) 96-gallon cart: Cost is \$52.00

Q: If I already have a 64-gallon cart, do I need to purchase a 96-gallon cart?

A: NO. The 96-gallon cart is the standard size. However, residents may choose to purchase a 64-gallon cart instead.

Q: What if I do not specify the cart size?

A: Residents who do not specify will receive a 96-gallon cart.

Q: Can I use a recycling cart from another community or one that I purchased from a store?

A: No. Only recycling carts purchased from the City of Green Bay will be emptied.

Q: How do I purchase a cart?

A: Carts can be ordered in person, by mail, online, fax, or phone. All carts will be delivered by the City. Customer pickup of carts is not available.

WEBSITE: DPWCART@ci.green-bay.wi.us

IN PERSON:

City of Green Bay Department of Public Works
100 North Jefferson Street, Room 300
Green Bay WI 54301-5026

HOURS: 8:00 am – 4:30 pm

Monday through Friday (no holidays)

Other frequently asked questions:

Q: What if I don't have enough room in my cart for all of my recyclables?

A: All recyclable materials MUST be placed in a City issued recycling cart. If additional space is needed, an additional cart must be purchased. Loose items left alongside any cart will not be collected.

Q: Where can I store my recycling cart?

A: Recycling carts cannot be stored within 15' of the public right-of-way. Recycling carts should be stored in the backyard or garage, and CANNOT be stored on any street side of a building unless the cart is completely screened from view at the public right-of-way. If stored outdoors, recycling carts must be stored with the lids securely closed.

Q: Who can I call if I have other questions regarding the City's recycling program?

A: Call the City of Green Bay Department of Public Works at 920.448.3535 between 8:00 am and 4:30 pm, Monday through Friday.

Q: When do I take the cart out?

A: Take your cart out on your normal recycle week. Keep in mind, all residents are supposed to place the trash and recycling out no sooner than 12 hours before the day of collection. City ordinance prohibits you from putting it out earlier. Also, please bring the carts, as well as your garbage cans back in as soon as possible.

Q: Is there a proper way to put the cart at the curb?

A: Yes, the lid hinge should be on the side away from the curb in order for the "arm" of the truck to pick up and dump the cart properly. As always, you want to keep the cart at least five feet away from your trash so they are not mixed and the "arm" has room to grab the container.

Please keep the cart away from hydrants, poles, trees or anything that could hinder the "arm" from grabbing the cart.

Spay/neuter clinic aims to reduce unwanted pets in our neighborhood

In recent months there have been several reports of stray cats fighting/mating here in the Olde Norwood Neighborhood Association area. One cat that was trapped tested positive for the Feline Leukemia Virus, which is a high contagious and potentially fatal disease. It is passed through direct contact so it is not wise to let your cat outdoors unsupervised.

Besides keeping your cats and dogs indoors or contained in your yard, the most responsible thing you can do is spay or neuter them. That will help keep them from wandering and will prevent unwanted litters if they do happen

to get loose. For pet owners unable to afford the spay/neuter procedure, Green Bay Animal Rescue plans to offer a low-cost clinic in September or October.

The Olde Norwood Neighborhood Association received a mini-grant from the City of Green Bay to co-sponsor this program, so area residents will receive priority if they meet income guidelines. If you would like to be notified when applications become available call Julie at 592-0127.

If you know of other stray or abandoned cats anywhere in the neighborhood please call Green Bay Animal Control at 448-3266.

Guidelines for what can and what cannot be recycled

Aluminum & Steel

Do Recycle:

- Aluminum cans and bottles
- Steel and bi-metal cans
- Metal lids and caps
- Empty aerosol cans, not containing a pesticide

- #3 - #7 Bottles and containers, Plastic bags, Motor oil bottles, brake and transmission fluid bottles, Styrofoam, Pails (ice cream and kitty litter), Flower pots and garden plastics, Food storage and microwave containers

Red Owl gives back to neighborhood groups

Mason Brothers Red Owl has been part of our neighborhood for more than 40 years. Jared Jr. and Justin are the second generation of Mason brothers to operate the business and they hope to keep it going for many more years to come. In the last few years they have invested in many updates to the store and its inventory, and they are committed to investing in the neighborhood that supports them.

On any given weekend you might see one of our local youth groups or other non-profit organizations selling brats and burgers in the parking lot. These sales are nice fundraisers for the groups because the store supplies just what they need and all profits are theirs to keep.

Please stop by to support these groups and be sure to thank the Mason brothers for giving back to our neighborhood!

Please "Like" Mason Brothers Red Owl and Joe's Texas BBQ on Facebook for coupons and special offers. Olde Norwood Neighborhood Association also has a page so you can keep up with events and activities throughout the year. Help us build our following for all three of these pages!

Members of Cub Scout Pack 4161 are running brat sales this summer to earn funds for field trips and supplies for other pack activities.

Best BBQ in town is right here in Olde Norwood!

Congratulations are in order to everyone on the pit crew and staff at Joe's Texas BBQ. They won the prestigious "People's Choice Award" at the Second Annual Bay Beach BBQ Bash on Saturday, June 1st.

If by chance you have not yet been enticed by the deliciously-smoky smells wafting from the corner of Ashland Avenue and Victory Boulevard, you owe it to yourself to stop in and sample something from Joe's menu. In addition to award-winning pulled pork and brisket they offer ribs, chili, Texas tacos, Frito pie and side dishes including corn bread and baked beans.

Joe's Texas BBQ is not a franchise, it is a small family business committed to preparing, smoking and serving meat in the best tradition of Texas. Hours are 11 am-8 pm Monday-Wednesday and 11 am-9 pm Thursday-Saturday. Closed Sundays.

Please thank our advertisers by supporting their businesses!

Help keep our neighborhood clean and safe for everyone!

Some of the most common concerns heard at association meetings involve issues of property maintenance and suspicion of illegal activities. Residents want to know who they should call to report those suspicions or register a complaint about specific properties.

When making a complaint it is important to get the exact address of the property so it can be entered into a tracking system. It is also important to contact the correct department.

Inspection Department 432-3300

For issues involving general property maintenance or an accumulation of junk or garbage on a property. Residents of Olde Norwood may call Donna Rosenthal directly at 432-3313.

Public Works Operations 448-3535

For questions about garbage collection or to report problems with traffic lights, clogged catch basins, potholes, snow/ice on sidewalks or long grass.

Community Policing Center 492-3785

Community officers partner with neighborhood residents and businesses to identify their priorities and involve them in the solution of the problems. If you have concerns about ongoing issues or suspicious activities in your area please call the District B Community Policing Center and leave a message for Officer Tim Wickman or Officer Andy Weiss. This is a non-emergency number, so if you have a true emergency or witness a crime in progress you should call 9-1-1.
